

The Harvest is Ready!

God's Word uses the illustration of a harvest to talk about the gathering of God's people into the church and, in the end, the gathering of God's people into eternal life:

1. Those who enter the Christian Church are said to become a part of the harvest (Matthew 9:37-38; John 4:35; Romans 1:13)
2. The "harvest" is the gathering of God's people on the Last Day (Matthew 13:37-43) Our Lord Jesus Christ commissions our South Dakota District congregations, schools, and ministries to expand the harvest field by sowing the seed of the Gospel, reaping a harvest of believers, and preparing people for the Final Harvest. The South Dakota District desires to encourage and support congregations, schools, and ministries in their harvest efforts through this HARVEST Grant Program.
