

## P.A.S.S. It on!

People from across the District gathered at Zion Lutheran Church, School and Preschool in Rapid City and Sioux Falls Lutheran School for the second annual PASS It On! Workshops on November 2 and 3.

This year's theme, "Navigating the Intersections of Faith and Culture" was highlighted by presentations from Rev. Dr. Greg Seltz of the Lutheran Center for Religious Liberty in Washington DC, Dr. Brad Alles of Concordia University, Wisconsin, and Rev. Tom Eckstein, author of numerous books and studies.

Rev. Dr. Seltz focused on the Lutheran "Two Kingdoms" doctrine with a special focus on the contemporary implications for 21<sup>st</sup> century Americans. Dr. Alles invited listeners to consider the impact of modern culture on truth, identity and purpose along with apologetics to answer the challenges. Rev. Eckstein focused on the Biblical response to LGBTQ and how to faithfully minister to those struggling with those lifestyles.

These events, sponsored by the District Mission and Ministry Council, included time for panel question and answer as well as opportunities for fellowship. The Council thanks all of those who attended and helped to make the events a success. For more information on upcoming District Events, visit the District website <https://sddlcms.org/news-events/>.
